

IMPORTANT – Check the data plate on the left side of the engine for the Lycoming model. From that find the Auburn engine that matches for tune up data. Some parts are interchangeable but may not be identical (carb, manifolds).

Gardner Engines – Source Chilton Multi Guide 1930

Gardner		Lycoming	Cyl	CID	B/S	
Year	Model					
1925	6A	2S	6	207.1	3 1/8 x 4 1/2
